We have also audited the information in the Directors' remuneration report that is described as having been audited.

We have reported separately on the individual Company financial statements of Daily Mail and General Trust plc for the year ended 1st October, 2006.

This report is made solely to the Company's members, as a body, in accordance with section 235 of the Companies Act 1985. Our audit work has been undertaken so that we might state to the Company's members those matters we are required to state to them in an auditors' report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the Company and the Company's members as a body, for our audit work, for this report, or for the opinions we have formed.

Respective responsibilities of Directors and auditors

The Directors' responsibilities for preparing the annual report, the Directors' remuneration report and the Group financial statements in accordance with applicable law and International Financial Reporting Standards (IFRSs) as adopted for use in the European Union are set out in the statement of Directors' responsibilities.

Our responsibility is to audit the Group financial statements and the part of the Directors' remuneration report described as having been audited in accordance with relevant United Kingdom legal and regulatory requirements and International Standards on Auditing (UK and Ireland).

We report to you our opinion as to whether the Group financial statements give a true and fair view, in accordance with the relevant financial reporting framework, and whether the Group financial statements and the part of the Directors' remuneration report described as having been audited have been properly prepared in accordance with the Companies Act 1985 and Article 4 of the IAS Regulation. We report to you whether in our opinion the information given in the Directors' report is consistent with the Group financial statements. We also report to you if we have not received all the information and explanations we require for our audit, or if information specified by law regarding Director's transactions with the Company and other members of the Group is not disclosed.

We also report to you if, in our opinion, the Company has not complied with any of the four directors' remuneration disclosure requirements specified for our review by the Listing Rules of the Financial Services Authority. These comprise the amount of each element in the remuneration package and information on share options, details of long-term incentive schemes, and money purchase and defined benefit schemes. We give a statement, to the extent possible, of details of any non-compliance.

We review whether the corporate governance statement reflects the Company's compliance with the nine provisions of the 2003 FRC Combined Code specified for our review by the Listing Rules of the Financial Services Authority, and we report if it does not. We are not required to consider whether the Board's statement on internal control covers all risks and controls, or form an opinion on the

effectiveness of the Group's corporate governance procedures or its risk and control procedures.

We read the Directors' report and the other information contained in the annual report for the above year as described in the contents section including the unaudited part of the Directors' remuneration report and we consider the implications for our report if we become aware of any apparent misstatements or material inconsistencies with the Group financial statements.

Basis of audit opinion

We conducted our audit in accordance with International Standards on Auditing (UK and Ireland) issued by the Auditing Practices Board. An audit includes examination, on a test basis, of evidence relevant to the amounts and disclosures in the Group financial statements and the part of the Directors' remuneration report described as having been audited. It also includes an assessment of the significant estimates and judgements made by the Directors in the preparation of the Group financial statements, and of whether the accounting policies are appropriate to the Company's circumstances, consistently applied and adequately disclosed.

We planned and performed our audit so as to obtain all the information and explanations which we considered necessary in order to provide us with sufficient evidence to give reasonable assurance that the Group financial statements and the part of the Directors' remuneration report described as having been audited are free from material misstatement whether caused by fraud or other irregularity or error. In forming our opinion we also evaluated the overall adequacy of the presentation of information in the Group financial statements and the part of the Directors' remuneration report described as having been audited.

Opinion

In our opinion:

the Group financial statements give a true and fair view, in accordance with IFRSs as adopted for use in the European Union, of the state of the Group's affairs as at 1st October, 2006 and of its profit for the year then ended;

the Group financial statements and the part of the Directors' remuneration report described as having been audited have been properly prepared in accordance with the Companies Act 1985 and Article 4 of the IAS Regulation; and

the information given in the Directors' report is consistent with the Group financial statements.

Separate opinion in relation to IFRS

As explained in Note 1 of the Group financial statements, the Group, in addition to complying with its legal obligation to comply with IFRSs as adopted for use in the European Union, has also complied with the IFRSs as issued by the International Accounting Standards Board.
